OFFICE OF LEGISLATIVE COUNSEL

Tuesday - 8 December 1959

25X1

1. Talked with Jay Sourwine, Senate Internal Security Subcommittee.

I pressed him to see whether he could accept the arrangement of CIA alternating with the Committees on various situations where we could cooperate. He indicated he had no authority in the matter but would take it up with Senator Eastland, the Chairman.

This information was relayed to Mr. Arens who said that HCUA would bow out of the picture and he hoped the alternating arrangements would stand.

2. Mr. Arens, HCUA, requested a list of suggested witnesses for HCUA concerning the World Youth Festival in Vienna in accordance with previous conversations between Representative Walter and Legislative Counsel. [redacted] (in IO is working on this.)

3. Jay Sourwine, Senate Internal Security Subcommittee, returned the transcript of General Cabell's testimony and raised a number of questions about certain deletions. This is being worked on with the CI Staff.

4. Talked with Spencer Beresford, House Committee on Science and Astronautics, advising him informally that the Director could appear before the House Science and Astronautics Committee on 7 January 1960. He was requested to draw up some possible guide lines of material desired with possible questions. He said he would be glad to do so.
